Model Assisted Statistics and Applications

Call For Papers

Special Issue on Warner's Randomized Response Model

Special issue
To celebrate the 50 year Golden Jubilee of the Warner's Randomized Response Model, a special issue (Vol. 10, No. 4) of Models Assisted Statistics and Applications (MASA) will be devoted to the related topics. Guest Editor of this special issue will be Prof. Arijit Chaudhuri.

Please submit your papers by 31 March 2015 to:

Prof. Arijit Chaudhuri
Applied Statistics Unit, Indian Statistical Institute
203 B.T. Road, Kolkata
700108 West Bengal
India

About the journal
Model Assisted Statistics and Applications is a peer reviewed international journal. Model Assisted Statistics means an improvement of inference and analysis by use of correlated information, or an underlying theoretical or design model. This might be the design, adjustment, estimation, or analytical phase of statistical project. This information may be survey generated or coming from an in-dependent source. Original papers in the field of sampling theory, econometrics, time-series, design of experiments, and multivariate analysis will be preferred. Papers of both applied and theoretical topics are acceptable.
