*RE: “Terrorism and Commercial Transportation: Use of Ships, Cargoes, Containers to Transport Terrorists and Materials”*

IOS Press BV and IOS Press Inc. publish and distribute articles spanning a broad spectrum of subject-matter. We have neither the resources nor the expertise to corroborate the factual or theoretical premises contained in our publications. Although IOS Press BV executes contracts with authors who supply material for publication, it plays no role in verifying the contents of such material. Accordingly, no inference should be drawn with respect to the truth or falsity of the factual premises contained in “Terrorism and Commercial Transportation”<sup>1</sup> or any other material that IOS Press BV publishes. IOS Press BV and IOS Press Inc. do not know whether any of the facts contained in the article titled “Terrorism and Commercial Transportation: Use of Ships, Cargoes, Containers to Transport Terrorists and Materials” in *Maritime Security and Defence Against Terrorism* are true, false, accurate, or inaccurate with respect to Mr. Yusuf Amdani, Grupo Karim’s, S.A., Green Development Corporation S.A. de C.V. or the entity referred to as “Green Valley” in that article.
