

# Journal of Neonatology

## Aims and Scope

The *Journal of Neonatology*, a quarterly journal, publishes, peer-reviewed review articles (theme-based), original articles, common management issues, editorial and research papers aimed at pediatricians working in the field of neonatology. All submitted papers are reviewed by at least two reviewers in the field of the paper.

The editors wish to encourage and advance the knowledge, study and practice of the science of neonatology and to draw out recommendations for neonatal care at different levels.
