Formatting for Book Reviews should comply with the following:

**Title:** Title of the book reviewed in bold capitals and centred.

**Author:** On a new line, also centred, insert "By Author" and if the book is an edited collection, follow the author by "(Editor)".

**Publisher:** On a new line, also centred, insert place of publication, followed by a colon, followed by the name of the publisher, followed by a comma, followed by the year of publication, then a stop. If relevant, the series and its number in the series followed by a stop.

**Details:** Following the publisher information, identify the number of pages and whether the book includes an index noted as "(incl index)", then a stop, then the ISBN of the book, followed by a stop, then the price (in GBP when possible, but other currencies are accepted), followed by a stop.

**Reviewer:** The name of the reviewer will appear at the foot of the review together with his or her position and place of employment.

**Samples:** Some examples include:

## **THE LAW AND ETHICS OF MEDICAL RESEARCH: INTERNATIONAL BIOETHICS AND HUMAN RIGHTS**

By Aurora Plomer,

London: Cavendish Publishing, 2005, 158 pp, £50.00, ISBN 1-85941-687-X

**Deadline:** We expect reviews at the latest three months after the book has been shipped.

**Word limit:** Book reviews must be kept under 1,000 words unless otherwise agreed.

**Footnotes:** No footnotes are allowed in book reviews without editorial permission.
