

Impacting the World of Science

www.iospress.com

ABOUT IOS PRESS

IOS Press serves the information needs of medical and scientific communities worldwide. We publish more than 80 international, peer-reviewed journals and approximately 75 book titles each year on subjects ranging from biomedicine, neurosciences and cancer research to computer science and engineering.

Established in 1987 and headquartered in Amsterdam with satellite offices in the USA, Germany and China, **IOS Press** continues its rapid growth, embracing new technologies for the timely dissemination of information.
